

## First Quarter Report 2023

May 8, 2023

I pray this report finds you doing well in the Lord, but if there are struggles going on right now then stop and enjoy the presence of God. Whether in good times or difficult times, pause and be refreshed in the peace that only God can provide. The application in Psalm 46:10 is for us to stop striving and release ourselves to the Lord and trust His protection and provision.

Thank you for your faithful support to the churches of Arkansas and their work. TC and I were privileged to be with Grace in Hope, Indiana on April 30<sup>th</sup> and it was a wonderful day of worship. We were blessed to see what the Lord is doing through Bro. Scott, Sis. Missy and the people there. We were also blessed to spend time with Bro. Micah and Sis. Julie from Calvary in Magnolia. A check for \$37,167.49 was presented that day and at the writing of this report the debt on the property has been paid off.

The second quarter offering will be going to Budd Creek for ongoing renovation expenses. Be in prayer for our camps as they begin their summer camping season in the near future. Also pray for Bro. Reggie Walling; he broke his arm and had surgery on it this past week. It is three weeks from the beginning of camp season for them. It will be a six-to-eight-weeks of healing.

The third quarter will be split three ways: Cornerstone in El Paso for Bro. Oscar Rutiaga in Reynosa Mexico, Red Oak in Hot Springs for Bro. Eddie Garcia in Northville Philippines, South Crossett in Crossett for Bro. Jose Romera in Costa Rica. Pray for God's work around the world, that the lost would surrender and we that are saved would continue to hunger and thirst for God.

In Christ,

Jeff Neeley
