July 2023

## DEPUTATION:

We have officially started visiting churches to share our calling to Montería, Colombia with them. My wife Esmeralda and I are very excited about what the Lord will do through us in Montería. This month we had the opportunity to visit one church in Texas, and four in Arkansas. We are thankful for the positive reception these churches have given us. It is always a joy to meet new people!

Please pray for us as we continue visiting churches in an effort to raise our support to move to the mission field. If you would like to receive us to hear about our call to Montería, Colombia, please call our Pastor Ron Canard at (870) 283-6213, or Associate Pastor John Sanders at (970) 213-3006.
