## NOVEMBER 2023

We started this month attending the Arkansas State Meeting in Springdale, followed by the Texas State Meeting in San Antonio. Both meetings were full of Preaching, Worship, and Information, but above all lots of fellowship. It is always a refreshing to see some Pastors and Missionaries that my wife and I know from my time in the Seminary. This month we were able to visit seven churches: Bethel MBC in Bethel Oklahoma, Massard MBC in Ft. Smith, First Landmark MBC in Clarksville, New Testament MBC in Lonoke, and Lebanon MBC and Little Springs MBC both in Poghkeepsie, Arkansas. Also, we were blessed by the invitation we received to visit the Central Arkansas Baptist Bible Institute of Benton, Arkansas, to share with students and staff our call of God to the city of Monteria, Colombia. I was also invited to present the Word at Emanuel MBC in Houston, Texas, the church I pastored for 23

years. It is always a great joy to see *“my children walking in the truth”* [2 John 1:14]. Our schedule concluded when my wife was informed that her father had passed away. We traveled to Mexico to attend the funeral services. It was an honor to be invited to present the Word of God at the viewing and at the Funeral Service.
