Church Planting

Disciplining

Training

My wife Esmeralda and I have found ourselves in the center of the abundant blessings of our wonderful God we serve. October 1, we were received by Grace Missionary Baptist Church of Jonesboro, and Corinth Missionary Baptist Church of Cave, City, Arkansas. Both of these churches and their respective pastors made us feel welcomed. From the 2–6 we attended the Missionary Training Ministry [MTM]. Not only we were the recipients of a well-

structured missions' material, but my wife and I really enjoyed the relaxing atmosphere of Mount View Arkansas. We also traveled to the country of Romania, to preach at the 30th Anniversary of the church we helped to establish. It was a great joy to see the members of this church and the church of Tancabesti after 23 years.

Please continue praying for us as we get ready to move to our field in January 2024!
