

We started 2024 by inviting our church family to be intentional with their time in the Word of God with our "By Lamp or By Light" series. Pastor Chris and Pastor Matt did an incredible job writing a daily devotional that walked us through Psalm 119 breaking it up into its 22 sections that coincides with the Hebrew alphabet. Then each Sunday, our teaching team led us through messages that taught us that the Word of God was meant to be a lamp for our feet and a light for our path. The Word is a lamp for our feet that helps us take the next step in times of darkness, and it is a light for our path to give us direction for our future.

We have been having some incredible worship on Sundays. Dom and Allison have done an amazing job building a team of volunteers and selecting songs that bring us to the feet of Jesus each week. Dom on vocals and guitar, Allison and her amazing ability with keys, Noel and his multi-giftedness on the drum, keys, and vocals, Rachel and Sophia with the intimate violin, and Ronnie, Trinity, Brooke, and Megan singing and worshipping. We are so grateful for this gift and for the beautiful voices that fill the room with hands lifted high. It is evident that God is moving in the hearts of our people.

Jon and Chris have been busy planning for what's next for North Circle. We are seeing the growth of the church in numbers and are excited for all that God has in store. We hosted a Vision Round Table where we reflected on 2023 and talked about what's ahead for the new year. God has answered some huge prayers as a church- for healing, for people to turn to Jesus, for financial security, for deepening of faith. We love that we get to do what we do in Westfield, Indiana and are eternally grateful for your love and blessing on us while we continue on.
