Bro. George turned 80 on January 1st, but feeling as at 59

We have a very good church attendance at our special events and services

Our nephew, Alin (who works in Germany), enjoyed the after service potluck together with his wife Adina, son Raducu, and daughter Antonia! They are our church members!

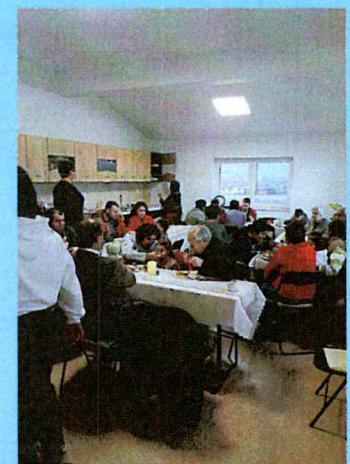

Bro. Attila and Bro. Latzi playing chess on New Year's evening church get together.

On January 12th bro. Latzi turned 72 years old! He is one of the most faithful men in attending our church services!

Group of 4 Baptist singers came for the first time at our church, and we worshipped the Lord together!

We had a New Year service and church potluck! It was a very good fellowship at the potluck, and most of us spent an extra 2 hours until every one decided it was time to go home!
