

# Missionary Baptist Seminary

5224 Stagecoach Road, Little Rock, AR 72204

Dear Supporters of Christian Education,

We opened our spring semester of 2024 with an increased enrollment over the fall, from eighty to eighty-five, including a number of new preachers who are beginning their seminary studies. Also, several young preachers have indicated their plans to begin studies in the fall. Also our international student population gained two new students in an expanding area where we can offer strong Biblical education to pastors and ministerial students across the globe. We praise the Lord for these blessings.

Trying something new for our school, we conducted our Spring Lectures earlier this year and welcomed a good crowd of 100 on Monday, Jan. 22 to hear lectures from Bro. Dillon Miller, Dr. Mark Thornton, and Dr. Terry Parrish. The lectures on "Israel in the Spotlight" were excellent as well as the fellowship. Many others who planned to attend were prevented because of the freezing rain and snow that day, but many joined live by Facebook or watched the videos now posted on our school website, [www.mb-seminary.com](http://www.mb-seminary.com).

We are also happy to sponsor for all our churches and brethren a workshop on church security and safety on March 2 at Antioch Missionary Baptist Church, 5300 Stagecoach Rd, Little Rock. The workshop, from 8:30 – 12:30, is free, but you will need to register your group by going to the website: [www.sheepdogsafetytraining.com](http://www.sheepdogsafetytraining.com). Brethren have registered from all over the state already and we expect a large crowd. The speaker is an expert in this area with a specialty toward churches.

When this semester is "in the books", the Missionary Baptist Seminary will have completed 90 years of operation in the ministry of training pastors, evangelists, missionaries, youth directors and Christian workers for the Lord's churches. Our ministry is for the Lord and His Work and made possible through the wonderful generosity of His people, those many churches and individuals who give to support the cause of Christ through Christian education.

There is not a day that goes by that we do not acknowledge that fact and praise the Lord for you who make it possible. May God richly bless you for your loving support.

Yours for Christian Education,

Roger Copeland, President
