### Greetings from Bro. Livingstone Lambert!

As I continue to thank God for his daily protection & blessings of us, I come to you with news of sadness that has come to my family. On January 25<sup>th</sup>, my father suffered a serious stroke & passed into glory. He was well the day before, so this was a shock to us. I spent the following week in Arusha, Tanzania arranging for and attending his funeral. This is a sad occasion for our family, but we rest in the thankfulness that he is with Jesus.

### Bro Charles & Victory Mission -- Pangani

Due to the personal issues in my life, the building of the church building in Pangani slowed for a while, but the work has started again & hope to soon be ready for the roof. The members of Victory look forward to the completion of their permanent worship building.

Future needs for this work are water and electricity!

### Bro Vitus & our newest mission work in Kigomboni, Tanzania

Bro Vitus & the people of Reconciliation MBM in Kigomboni are currently looking for land as they continue to meet in a rented place. Please be in prayer for them.

### Power MB Elementary School

The 2024 school year began again in mid-January. Our students are all doing well & happy to return to school. Adopt A Student's are still in need of school tuition. \$45 per month pays tuition, provides 2 meals a day & uniforms for students. Mailing address is: Tanzanian Power MB School, PO Box 383, Beebe, AR 72012

Christmas 2023 was a great success.

The meal, worship, & baptisms, were a great blessing & encouragement to our people! Thank you for help in making the Christmas meal a great success!

God Bless you all..... Livingstone
