This is the support received in February. Thanks for your continued giving!

As you can see in the pictures our congregation is at work for the glory of the Lord, and we have a good attendance at all our services and church activities! Mia and I are getting older, but, we have a young heart in serving God in our area! Every Thursday evening, Mia has a Women's Bible Study.

We were invited to Spinus Baptist church for a Revival service where I had the message! We had a potluck for Mia's birthday, and she got a lot of appreciation from all our church members-- with TWO birthday cakes! By the way, I had only one for my birthday!

Every Friday evening we have a very good turnout for our Bible study, as you can see in the first picture! Thanks for your prayers and financial support! God bless you all!
