MISSIONARY EDGAR RUBIO FEBRUARY 2024 REPORT

FINACIAL REPORT By Mike Mee

**EESI, Church Planter Training School:** The need to establish New Testament churches requires involving the new generation of believers in the task of "disciple-making," training in practical skills, which are necessary to accomplish the goal. We have a group of three young people from Ecuador, Danny Josué Mugmal, Nathaly Castillo and Juan Mugmal who are attending school in person and a group of 8 students who are doing it virtually through the Zoom platform.

We thank the Lord for the love and support received during this time of training, in the month of March we conclude our first module, the brothers return for a month to their churches to put into practice what they have learned and then return for a second module.

**MBC Vida Nueva, Ibagué:** step by step we advance towards the goal, two new contacts, a decision of faith, a Bible study group (discipleship), the commitment and work of each member and the trust in Our Lord Jesus Christ that allows us to move forward. Pastor Walter Lanier and his wife Leatrice, missionary Jim Gage and his wife Carmenza visited us and we shared a time of fellowship, we thank the Lord for their lives and for service to the Lord in the missionary work of Westwood Missionary Baptist Church.

**Missionary work in Guamo:** the construction of the cabin for the men in the Horeb camp is still in process, we are equipping the camp with the necessary elements, buying cabinets and kitchen utensils. We are also continuing in the process of buying the land for the temple in Guamo. Thank you all for your love, support, and prayers: your generosity makes possible the advancement of missionary work in Latin America.

**Pray for:**

- Missionary work in Ecuador, Colombia, and Latin America.
- For the mission trip to Colombia and Ecuador of the brethren of the Church in Caney, FLMBC of Clarksville.
- To finish the equipment of the camp (beds, kitchen elements, audio equipment, fans, etc.)
- For the students at the Church Planter Training School and for resources to sustain them.
- For the New Life Church in Ibagué.

With love, your missionary Edgar Rubio.

As of 2/1/2024, **\$137,450.00** has been sent for the construction of the church camp in Guamo

We have purchased the property located in a strategic place in Guamo where we can build a church and the study rooms for the School of Sowers. The purchase price was \$ 24,000 dollars. The price is very cheap compared to others in the sector, the normal price is \$ 40,000.00 dollars. By 3/1/24 we have put down \$10,000 and will have made payments of \$4,000. The balance owed as of 3/18/2024 is \$10,000.00 that we must pay that off by JULY 2024. **IF YOU WISH TO HELP IN THIS PROJECT DESIGNATE PROPERTY IN THE MEMO LINE**

Please be in prayer for the Sower Training School to train church planters/missionary's in Guamo. These classes will require the students to live in Guamo to receive the instruction and also to go out into the surrounding communities to put their training into action. The cost per student is \$200.00 per month. **IF YOU WISH TO HELP IN THIS PROJECT DESIGNATE SOWER SCHOOL IN THE MEMO LINE**

We thank all of you for your prayers and support of Brother Edgar.

I will be leaving for Colombia on 3/25 along with Brother Brian Harris and two other brothers from Caney MBC. We will return on 3/28. Pray for us as we travel and for God's Will to be done.

We are currently planning a trip to Ecuador/Colombia. Going to Ecuador May 28<sup>th</sup> and then to Colombia June 4<sup>th</sup>. We will be conducting VBS classes in both countrys. Coming home on June 11<sup>th</sup>. Pray that God will bless each trip.

**Praise God** for our new Pastor Brother Kevin Tucker along with his wife Amy, their daughter Riley and sons Raif and Zane.
