

John & Sharon Sanders partnering with Bill and Rita Johnson and the ministry of Calvary MBC, Hamburg, AR

MARCH 2024

Pray for Safe Travel: I would appreciate your prayers for my safe travel to and from the Philippines – a short trip - April 5-12. I will be preaching, teaching and taking part in our annual Bible Conference. We will also have a distribution of teaching materials and supplies that have been shipped to the Philippines. I look forward to working with our new translators and press operator, and spending the week in the three bedroom apartment of our new ICP building which was dedicated last May.

Visiting Churches: It was a blessing to introduce International Christian Publishers to Hatley MBC, Dover, Arkansas earlier this month. After sharing the ministry and preaching the Word, I got to answer questions at our display table. Pray for the church as they seek God’s leadership in finding a new pastor.

On A Personal Note: I try not to post too much “family” stuff, but I thought I would just mention that our youngest grandchild, Turner Kate, turned one and got her first “dollar-for-every-year-of-life” gift from her Papa. I started that with my kids and now it’s getting expensive. Haha. Sharon and I love that Jeremy and Amanda live close enough that we get time with at least 1 of our 7 grands. One more piece of exciting news: our first great grandchild is due August 12, five days before our 50th wedding anniversary.
