JANUARY – FEBRUARY 2025

ICP NEWSLETTER: As I have visited churches over the past ten years, I've always been happy to see our ICP Newsletter (mailed from Texarkana) posted for the membership to see and read. I generally contribute articles or information in that newsletter similar with what I share in my report. Several have asked why I send a separate report. The answer is simple: to acknowledge that I have received your offerings and am so very grateful for your support. Occasionally, I add personal information, even family pictures, knowing most of you began supporting me as far back as 1993. If you are not receiving the ICP Newsletter in your mailbox each month, please let me or Brother Bill Johnson know so you can be added to our mailing list. Please check out my articles and pictures promoting our new VBS curriculum, *The Master of the Sea*, and *Character Code for Life*. God bless!
