Welcome Brother Scott Pevehouse

Scott and Becky Pevehouse

We are blessed to announce that Scott Pevehouse has become a part of the ICP Ministry team. Scott will enter a period of training to learn all about the ministry, after which he will serve as Director of Curriculum Development.

Scott received his Bachelor of Theology from Texas Baptist Institute. He obtained his Master of Bible Languages from the Missionary Baptist Seminary and his Master of Divinity degree from Texas Baptist Institute.

He has served churches in the American Baptist Association as a youth pastor and pastor in Arkansas and Oklahoma since 2002. He has pastored South Lakewood Baptist Church in Tulsa, Oklahoma for ten years. Scott has also served as a seminary instructor. He has a passion for creative ministry and reaching the community with the gospel of Jesus Christ.

Scott and his wife, Becky, have been married for twenty-two years. They are the proud parents of three children: Sarah Beth (Nathan Clements), Brandon and Gracie.

In his free time, Scott likes to read and play with his dogs, Sapphire and Mack. He also likes to perform Gospel Illusions and make balloon animals.

Brother Scott will continue to serve as pastor of South Lakewood Baptist Church while in training at ICP. He will work in the Texarkana office for one week each month. Scott will also be available for appointments on deputation. You may contact him at scottpv@cox.net or 918-900-4297.

Kenya

Sunday School
in Uganda

Maintenance on the digital press has caused some delay in printing; however, Moses and Titus continue to translate Module 3 of the *Character Code for Life* curriculum. Missionary Ernie Hopper took 1,200 children's books to Uganda when he went there earlier in July.

They are continuing to prepare the *Lord of Kings* VBS series for printing. When proofreading and translating the songs are completed, they will begin printing. We are praying for funds to print up to ten thousand children's leaflets for the churches in Kenya.

Moses and Titus will attend and distribute literature at the African Baptist Association (ABA) in late August. They also hope to have feedback to make improvements on the literature.

God has truly blessed the work in Kenya with these two men. They have both enrolled in online courses in Texas Baptist Institute and Seminary. They hope to receive degrees in theology and Christian education. This will equip them for the ministry of providing literature for the churches of East Africa. We trust God for the funds to pay for their tuition and books. If God leads you to help, please designate your offering to ICP Worker Scholarship fund.

Philippines

The Backpack Ministry in the Philippines has become a blessing with the twenty churches participating, sending reports of children making professions of faith and studying the CCfL lessons faithfully.

ICP is asking for your help in filling backpacks with school and hygiene items

for needy Filipino children. The list of items needed and the boy and girl tag patterns can be found at icplit.org. Thank you for your help in the past. At left is a picture sent to us of children who received backpacks this past Spring. John Sanders plans to share more pictures when he visits your church in the coming months. Backpacks are needed by October 15.

We found it necessary to pay about \$7,000 in taxes and late fees to the local government, that we only recently learned about. It is important to operate legally under the laws and regulations of each nation in which we have ministry as much as possible.

Myanmar (Burma)

While the civil war continues, Jacob Tubal continues the work of translating, printing and distributing CCfL curriculum. Jacob's brother, Steven, a war refugee now living in the Philippines, has enrolled online in Texas Baptist Seminary. He will major in Christian education so he can become a vital part of the ministry in Myanmar when he returns home.

Canada

Filipino missionary Jonathan Tejada, working in Vancouver, Canada, reports that they are enjoying ICP's *God's Character and Me* Sunday school literature for teens and adults. They are currently studying Module 1, *God Is...* Please pray for missionary Tejada and this growing mission as they move into a more permanent building.

Mexico

Dr. Hugo Mallozzi has helped ICP deliver CCfL literature to three first-time user churches in Mexico. Spanish is one of the most spoken languages in the world, and we have most of the CCfL curriculum translated in Spanish. We are praying that God will guide the ministry in expanding in each country in Latin America. Translator Gabriel Sanchez, who is now a missionary in Columbia, is helping distribute the material there.

Translation Update

into Tagalog (used throughout the Philippines) and Romanian are both at the halfway mark. Prayerfully, they will be completed soon.

Lord of Kings and *Master of the Sea* VBS have both been translated, printed and distributed in the Philippines. *Lord of Kings* has also been translated into the Spanish, Swahili and Burmese languages

You can help

You can have a part in these ministries around the world by your prayers and offerings. We are praying that "God will provide," and that God will use His people in His provision.
