MISSIONARY EDGAR RUBIO JULY 2025 REPORT

FINANCIAL REPORT By Mike Mee

²⁶ And he said, "So is the kingdom of God, as when a man sows seed in the ground; ²⁷ And he sleeps and gets up, night and day, and the seed sprouts and grows without his knowing how. ²⁸ For the earth bears fruit of itself, first grass, then ear, then grain full in the ear; ²⁹ And when the fruit is ripe, immediately the sickle is put in, for the harvest has come. Mark 4:26-29; when we begin a task in the Kingdom of God we often think that it depends on our great capacities and abilities, on the gifts and talents we have, but we forget that every aspect of God's work depends on Him, his love, his sustenance, his provision and his purpose; it is here that He surprises us and we see that He can make small things great things for the praise and glory of His name.

Thank you dear brothers and sisters for supporting the work of God all this time, it is good to know that what began as a missionary project to plant a new church continues to grow taking the hand of God and the support of his servants, the work of the Lord continues to advance, continues to grow and reaches places where sound doctrine is not preached and wins hearts and lives for the Kingdom of God.

IMB Vida Nueva - Guamo	
	<p>The structure for the installation of the roof in the church building is ready, in the next few weeks we will be installing the tiles, we will start painting work, installation of the internal electrical network, and the tiles for the floor, we have the building at 80%; we continue to make contacts with different people, share the gospel, and serve the Lord with love and dedication.</p> <p>Thank you all for your prayers and support.</p>
	<p>Brothers, please pray for my health, I am going through a great imbalance and I have problems with my blood pressure, triglycerides, cholesterol and blood sugar, now I am better, I am taking medicines, I also have to make changes in my diet.</p>

Thank you, dear brothers and sisters, for your support in rebuilding the roof of my house, we are working to repair the disaster of a storm that damaged it last year in the month of October, we have a great task ahead of us and your prayers give us the strength to continue moving forward.

We are organizing some personal accounts, loans with the bank and others to prepare for the definitive retirement of my wife Clara, we need your prayers to be able to move forward in this process, I think it is time to rest from work for her and so that she can accompany me in missionary work. Please pray for strength, health, and wisdom for her.

Ecuador

Otavalo

We continue to pray for resources for a piece of land for the Camino de Vida Baptist Missionary Church in Otavalo, they have been faithful and continue to advance in the preaching of the gospel.

Pinsaqui

The church in Pinsaqui continues to move forward, this indigenous community marks a great milestone in the ministry of the Latin American Baptist Mission because it is the first indigenous church planted by indigenous people under the support of our ministry; the missionary point began after a medical campaign of the International Medical Mission, Brother Nelson Mugmal and his wife were in charge of the work; currently Brother Nelson is pastor at the Lamb of God Baptist Missionary Church in the Naranjito community and Brother Alexander Mugmal is in charge of the new church.

The church of Pinsaqui is ready to start the construction of the temple; the access road to the land has already been opened and the ideas have been drawn up; thank you to Centerpoint's Landmark MBC and Pastor Steve Jacobs for their love and support of this church.

Let us continue to pray for:

- Missionary work in Colombia and Ecuador, churches, pastors, and leaders who work faithfully in God's work.
- For provision for the School of Sowers, EESI; their support is very important for the continuity of missionary work; for Colombia and the new students who are to come, we started classes the third week of July.
- For a new Bible study group in Guamo, the family of Alirio and Melida Cuativa.
- For the construction of the building for the church in Guamo, for provision and protection in every part of the process.
- ***For the Horeb Camp in Guamo and the different programs we have for this year. We invite you to participate in the Family Camp from October 8 to 11.***
- ***For the Inauguration of the building of the Vida Nueva Baptist Missionary Church in Guamo on October 12, 2025 at 10 a.m., you are all invited, you can make plans to join us.***

Thank you all for your love, your prayers, and your continued support of missionary work in Latin America.

With love

His missionary Edgar Rubio.
