We are thankful to report that the work in Northwest Romania is going well! God continues to bless the ministry in wonderful ways.

This spring has been filled with meaningful opportunities for fellowship and outreach. We enjoyed beautiful Women's Day celebrations where ladies from the community gathered for a time of encouragement, fellowship, and sharing the Word. The weekly ladies' Bible study, faithfully led by Mrs. Mia, has been growing steadily and remains a source of strength and spiritual growth for the women in our church family.

Our evangelism services have been well attended, with visitors continuing to come and hear the Gospel. We praise the Lord for recent baptisms and a special child dedication service — precious reminders of God's work in the hearts of families here.

Easter was a particularly special time of ministry. We shared a lovely Easter meal together as a church family, rejoicing in the resurrection of our Savior. Our Easter Sunday began with a sunrise service, followed by a powerful main service where many gathered to worship and celebrate Christ's victory over the grave.

Thank you for your continued prayers and support for the ministry here. God is working in Northwest Romania, and we are grateful to be part of it.
