Sending Church

First Baptist Church
Cave, City, AR

Pastor

Ron Canard

BACK IN THE MISSION FIELD

After spending Christmas and New Year with our children in Katy, Texas, we flew back to our Mission Field on the 5th of January only to find a growing church, Especially the group of teens that are coming from the nearby neighborhood of Villa Cielo. I had the experience of bringing 12 teens in our Chevrolet Tracker, a vehicle for only 5 passengers. I was sad to see Brother Victor Gonzalez and Sister Sara going back to Houston, Texas. They did a such a wonderful job overseeing the work in our absence. Thank you brother Victor.

Lebanon MBC, Poughkeepsie, AR, (Van)	\$1,000

YERSON ANSWERS THE CALL!

Brother Yerson Salcedo has surrendered his life to the Ministry. He is already enrolled and taking classes at the Heritage Baptist Institute and Seminary of Houston, Texas. He has shown that he is eager to learn. He is preaching at the church every other Sunday, and is also in charge of the Youth Program. I am preparing him to be ordained as a Minister of the Gospel in the near future. Please continue to pray for him and his family.

VAN FUND UPDATE

I want to thank all the churches that had the opportunity to participate in this project. We were able to reach of goal our of \$20,000. Our special thanks to Mision Bautista Emanuel of Houston, Texas for their offering of \$2,000, and to the Lebanon MBC of Poughkeepsie, Arkansas for donating \$1,000. On January 25 we traveled to the city of Medellin looking for used vans, but unfortunately we did not find any that could satisfy our needs. We will continue to look!

DYLAN SANCHEZ

Missionary Helper

January was a good month settling back into the normal rhythm after returning from our December trip. I am glad to be back and reconnect with the people from the church. I also took some time out of this month to prepare for the English classes. I'm still not that confident in my teaching yet, but I'll do my best as the classes start in the next few weeks. Please keep me in your prayers as I continue to learn and grow.
